

April 4, 2015

Dear Parent/Guardian:

The Old Colony Regional, Vocational, Technical High School will be doing a mandated Postural Screening for 9th graders during gym class on April 17<sup>th</sup>. The purpose of this screening is to identify signs of possible spine related issues. Complete privacy will be provided. It is not a diagnostic service but a program to find young people who may need further evaluation.

If your child has unusual findings, you will be notified and asked to take your son/daughter to a physician as a precaution.

If you do not wish to have your son/daughter participate, please sign below and return this letter to the nurse on or before April 13, 2015.
