Quick Reference Guide

To access the Parent Portal for the SchoolBrains student information system for student grades, attendance and discipline information:

- Follow the link from the Old Colony home page at www.oldcolony.us

OR

- Go directly to the site by typing https://community.schoolbrains.com/oldcolony_community/ in your browser's address bar

Click on Login, then enter the username and password provided. The first time you login, you will be prompted to change your password.

You can access your student's information from the Parent Portal Menu pictured below.
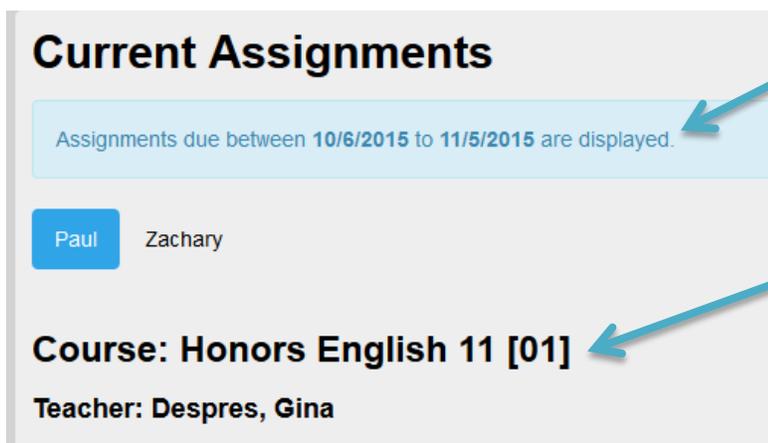

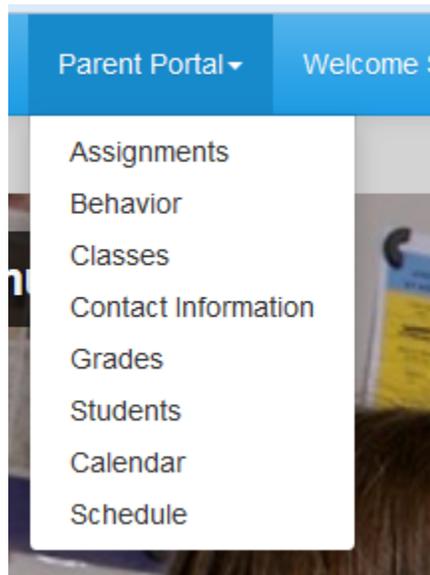

The **assignments** menu option will first show only assignments due in the previous two and next two weeks.

To see all assignments for that class, click on the Course name.

Current Assignments

Assignments due between **10/6/2015** to **11/5/2015** are displayed

Paul   Zachary
