## CIRCLE

All my life's a circle  
 Sunrise and Sundown  
 The moon rose through the nighttime  
 Till the daybreak comes around.  
 All my life's a circle  
 But I can't tell you why  
 The season's spinning 'round again  
 The years keep rolling by . . .

It seems like I been here before  
 I can't remember when  
 And I got this funny feeling  
 That we'll all be together again . . .

There's no straight lines make up my life  
 And all the roads have been  
 There's no clearcut beginning  
 And so far no clear ends . . .

I found you a thousand times  
 I guess you've done the same  
 But then we lose each other  
 It's just like a children's game . . .

And I find you here again  
 Far from my mind  
 Our love is like a circle  
 Let's go round one more time . . .

by Harry Chapin

## Some Thoughts From the Editor

Circles. Everybody's life is a circle. Season's changing constantly but always come back to the beginning. Just when we think we've finally made it through school, life begins all over again. Whether working in the field you were trained or doing something else, life is just beginning. This is the circle of life.

The 1978 Quittacus Log is a reminder of days gone by. Days of term papers, student strikes, tax forms, Algebra I, and related classes. A time of carefree living before we have to settle down in the world of adults.

We would like to give special thanks to the

following people:

A. Michael Sirrico for his patience, guidance, and his great ideas.

Mr. M. Landry, Tim Silveira, and Terri Gracia for their great pictures.

Mrs. Ruth E. Gilmore for the terrific name for our book.

Mr. Robert Dube for his illustrations.

Mr. Arnie Lohman of the Taylor Publishing Company, who set us straight about putting together our yearbook.

Also Debbie Duarte and Sandy Santos for their special time and help in typing the book.

# DEDICATION

JOHN T. OLIVEIRA

We, the senior class of 1978 would like to dedicate our first yearbook, the Quittacus Log, to Mr. John T. Oliveira. Here is a man who had a dream and made this dream a reality. Old Colony is evidence of Mr. "O's" careful planning and endless hours of personal guidance and engineering. It is with great pride and fulfillment that he witnessed his first class entering Old Colony on Sept. 29, 1975. Everyone tries to bring their Camelot within reach. Mr. Oliveira brought his Camelot within reach and extended it so generously to us. We are forever grateful.

"Nothing is so strong as gentleness: nothing is so gentle as real strength."

# IN MEMORY OF

## NANCY ASHLEY

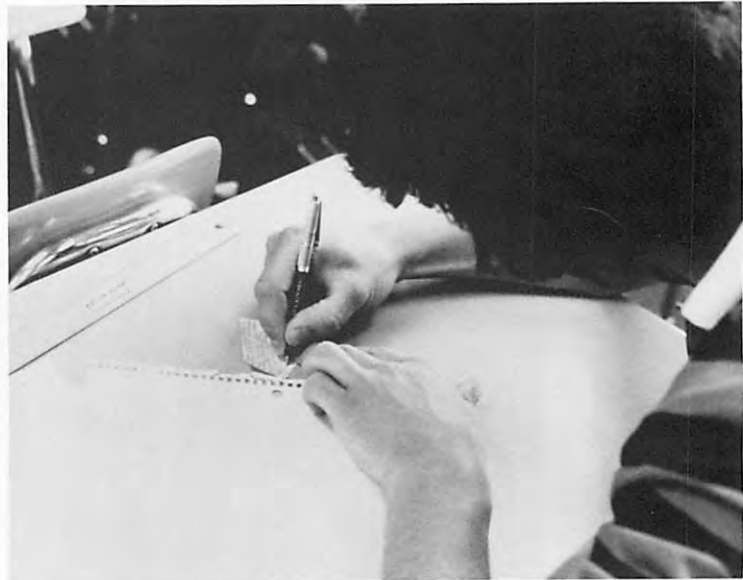

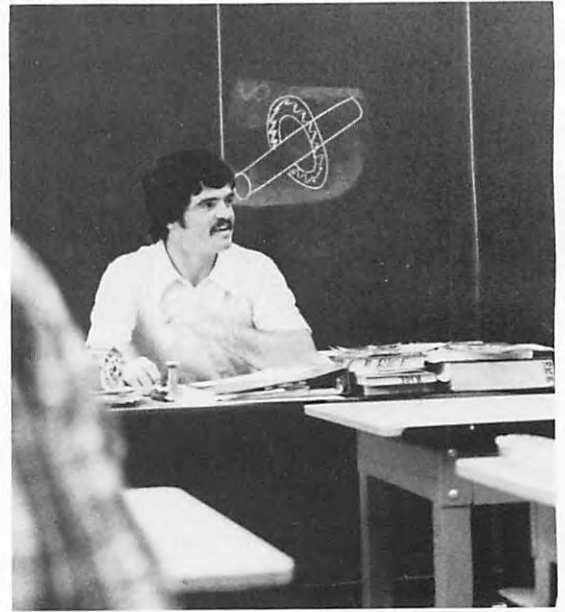

An accomplished artist, writer, and expert in the field of Data Processing, Nancy Ashley was always acquiring new interest and increased knowledge. She was one of Old Colony's finest, well liked and respected by both faculty and students.

A credit to her profession, Miss Ashley gave much of herself to her students, coping with many difficulties to continue teaching and giving.

Miss Ashley will be greatly missed as an educator, co-worker, and friend.

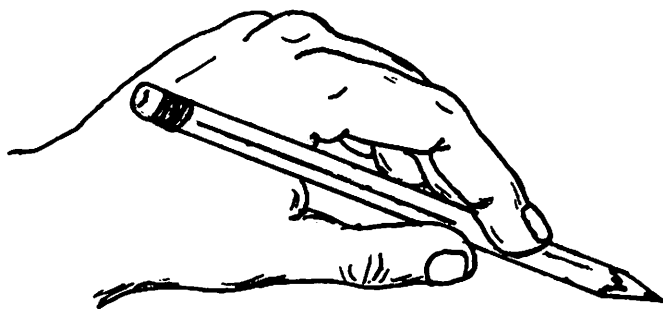

In our complex times, we must learn to think not only of  
furthering ourselves but of furthering mankind.  
Ours is an age of awareness, an age of change.  
No longer are we young adults held to a world of fantasy —  
of security.  
We must meet the world "Head on."

It is the teacher who must guide and instruct us.  
He points out the right way to follow when one hopes of  
achieving some goal.  
He turns many pupils into scholars.  
He gains the respect of all who come in contact with him.  
In short, he, the teacher, shows us the true path to  
adulthood.

"And we have to think, above all, of the need for education.  
Education is the key to the jobs of the future. Education is the key  
to preserving individual capacity to act, to provide for  
oneself without dependence on government. And education, in the  
last analysis, is the key to understanding the world about us,  
the world of new nations and nuclear weapons, affluence and  
starvation, war and peace."

Robert Kennedy (1925-1968)

Fall brings with her the beginning of the school year.  
No longer are afternoons spent at the beach.  
Now, we must buckle down to our studies, leaving our  
afternoons for after school jobs and not for wading in  
the cool, clear water.  
We fancy ourselves reliving the past summer, when suddenly,  
Around us, the autumn wind calls us back to reality.  
Around us, the arches of gold, red, and orange are paying  
homage to such a royal season.  
Our daydreams come to an end.  
Time must be spent on studies and on after school activities.  
Our soccer team must be the best.

We begin our Senior year with mixed emotions of joy and  
sorrow.

FALL

# SOCCER

The 1977-78 school year saw the debut of interscholastic soccer at Old Colony. The Varsity squad was very competitive in its first season. Award winners at the Soccer Banquet were: David Harris (fullback) Most Valuable Player; Fred Wescott (fullback) Coaches Award and Trophy; James Forand and Doug Reeves Co-Captains Trophies; also cited for excellence at mid-field were half-backs Brent Hartley and Mike Lake. Coach Cabral and Coach Manning appreciate all the hard work the team put in this past season.

**F. Row, L to R:** B. Hartley, F. Wescott, M. Lake, R. Babineau, J. Forand, D. Reeves, J. Duggan, P. Buchanan, M. Costa, D. Harris.

**S. Row, L to R:** J. Elias, R. Grenier, E. Davoll, H. DaSilva, F. Figueiredo, J. Moutinho, R. Almeida, R. Gadbois, D. Shurtleff, R. Smith.

**T. Row, L to R:** Coach Varsity, R. Cabral, D. Sylvia, M. Hooley, M. Roberts, J. Lech, D. Ross, P. Poulin, M. Verroneau, T. Moreiro, R. Lemeaux, P. Deschamps, Coach J. V. D. Manning.

# FOOTBALL

**1st Row, L to R:** J. Jason, S. Nichols, M. White, M. Wendling, G. Marques, T. Boudreau, D. Silvia, A. Andrews, R. Veno, K. Hayes, E. Martin.

**2nd Row, L to R:** Head Coach J. Costa, M. Mareiro, D. Perry, M. Drapper, S. Cassidy, J. Lawson, L. Brown, T. Quinton, R. Almeida, G. Rousseau, J. Donwell, Coach A. Perry.

This year Old Colony saw its first football team go into action. After getting a late start and overcoming all the odds against itself, the team did very well against some very tough teams. Although the team won only one game they were never physically beaten by any team, and were considered to be very tough by all opponents. The team and head coach, Mr. Costa, was very fortunate to have Mr. Perry, Mr. Hibbert, and Mr. Bretto as assistant coaches. These men devoted their time and knowledge to see that the season was a success. The success of the team this year, was measured in the learning of fundamentals, and team experience. According to these goals, the team was very successful.

# VOLLEYBALL

The Cougar volleyball team worked tremendously hard and was always eager to learn skills and techniques. Everyone learned a great deal and 100% improvement was shown by all. We will miss the seniors, their enthusiasm and leadership was necessary to get our first competitive season started. We are looking forward to a strong start next fall with continued team spirit and enthusiasm!

**All's half-way over.  
Yet it's just the beginning  
Of studies and fun!  
As we cheer our Cougars to victory,  
Midyears sharply turn the corner.  
Days rapidly pass by,  
And preparations for the Prom and Senior Banquet are made  
Awaiting the bus in the brisk morning air becomes routine.  
The snow blockades those once welcomed doors.  
"We're number ONE!!"  
Graduation still lingers far into the future.  
And five months remain  
For memories to be made and remembered.**

The 1977-1978 Basketball Season got off to a slow start but after a few games the guys started playing real good and worked great together as a team.

The team showed determination and enthusiasm as they took on other teams in non-league competition.

All the Varsity players were outstanding in their efforts to beat their opponents.

The J.V.'s on the other hand had a little problem getting their game off the ground. But in the end fared quite well against the other teams.

Outstanding players for our team were: Mike Lake, Jim Forand, R. Gadbois, Gary Rousseau, and Tommy DeCosta.

Spring, the season of life restored —  
New beginnings in vicious cycle.  
Birth, Tenderly prepared for, arrives  
Nursed with the hope and promise  
For a prosperous journey ahead.  
Warmth inspires new desire for freedom.  
Each tiny bud grows in great dimensions  
To provide nature with its special fruit.  
The beauty of a world in full bloom —

We await this birth with mixed emotions  
As graduation looms ahead.  
Undaunted by obstacles we must face —  
Lingering much longer with friends  
For the warmth of companionship before final parting.  
Memories of a wonderful past, never forgotten.  
We look to a future, bright, vast,  
With determination to succeed.  
Renewed vitality joins us with our plans  
As we set out alone  
To unlock the gates of the world.  
To bring beauty, promise, hope to others —  
In sadness we may part,  
But with mounting excitement, we say hello to . . .

Spring is our beginning.

SPRING

# FASHION SHOW '78

# BASEBALL

This year's Baseball Team consisted of 22 very ambitious guys who had the determination and ability to prove that teamwork is important to succeed.

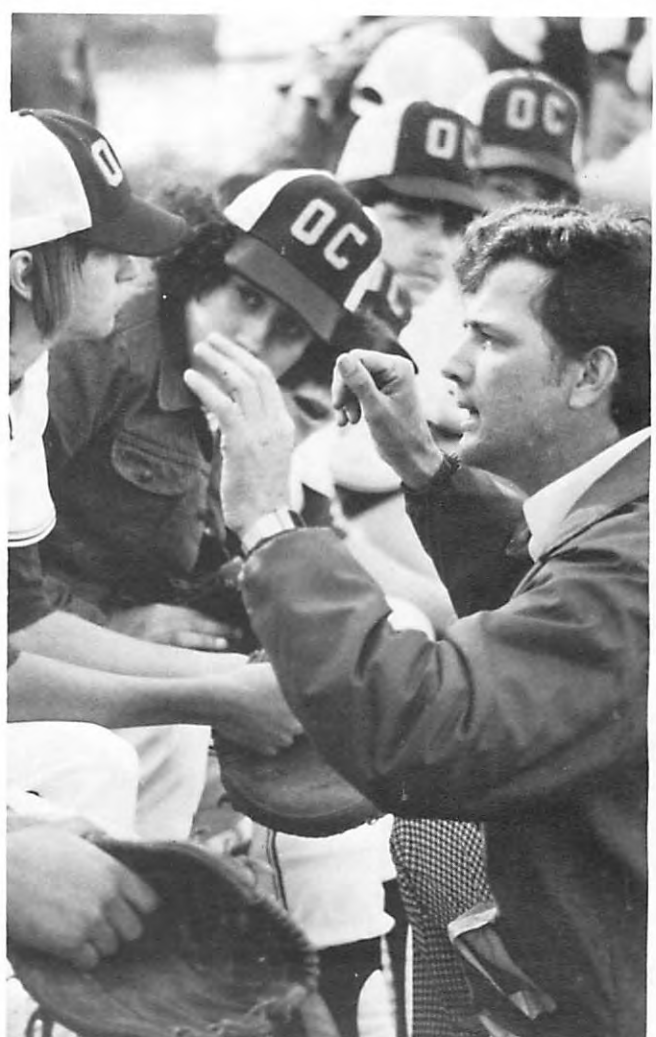

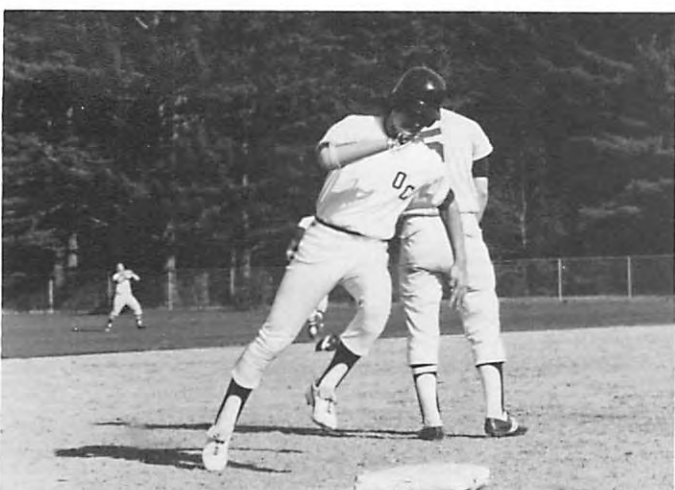

Some of the tough competition the Cougars had to contend with came from Westport High, ORR, Tabor and Cape Cod Tech. The extra efforts from Sophomore Robert Gadbois, a pitcher, Senior shortstop David Harris, and Senior pitcher Paul Buchanan, led the team to victories over Upper Cape and Ford Jr. High.

**F. Row L to R:** M. Antone, D. Harris, P. Buchanan, D. Reeves, J. Duggan, J. St. Jean, J. Mulvey.

**S. Row L to R:** B. Matheson, D. Sylvia, G. Rousseau, R. Veno, J. Pelletier, R. Veno, D. Guy, R. Gadbois.

**T. Row L to R:** Coach F. Rothwell, S. Cassidy, R. Lemieux, P. Szwaja, S. Healey, G. Marques, J. Donnell, M. Cioper.

# SOFTBALL

The Girl's Softball team started anew this year. With a new coach and mostly young Freshmen, the girls battled their way to victory several times over the other more experienced teams.

The team led by Coach Ken Soares worked very hard at tackling their opponents. Young and determined, the girls quickly mastered the skills needed to play an almost better than average game.

Outstanding girls were Freshman Gert Duarte, Freshman Debbie Peltola, and Junior Sandy Santos.

**Seated L to R:** R. Reeves, S. Santos, G. Duarte, K. Contois, D. Peltola, A. Counsell.

**Standing L to R:** C. Reeves, Manager, D. Gustafson, B. Thomson, M. Camacho, J. Contois, V. Moraux, P. Finnerty, K. Soares, Coach.

## THE GRADUATE'S LAMENT

I'm glad it's finally over, and I'll be  
on my way.  
Then why do I feel sad when I think of  
graduation day?  
The teachers were so picky and wanted only  
the best,  
And I froze every time I had to take a test.  
I was informed as I went through school  
That there were exceptions for every rule,  
And except for the exceptions, there's very  
little doubt.  
That numbers one through ten are usually  
spelled out.  
And I certainly won't ever forget the times I had  
to retake a test,  
Just to please the teacher cause she wanted  
the very best.  
Oh, I wanted good grades — like A's and B's.  
Why then did I get so many C's and D's?  
There were days I didn't want to study cause  
I really needed a rest,  
But teachers are always saying, "Are you ready  
for the test?"  
Oh, I suppose it was worth it — I hope it was,  
but now  
I feel a little let down — a little blue  
somehow.  
Oh yes, I'm glad it's over, and I'll soon  
be on my way.  
Then why do I feel sad when I think of  
graduation day?
