IN MEMORIAM

The Senior Class of 1987 dedicates this yearbook to Mr. Joseph F. Kolbeck. As a drafting instructor and advisor to the Student Council, he inspired us and guided us. He always had consideration and concern for all the students and faculty at Old Colony. A man with a smile and a quick wit, he taught us that an education was important and meaningful for our future.

His sudden demise was a shock to us all; but it made us realize the impact he had on our lives. His friendliness, his jokes, his memory will always be with us.

Mr. Joseph Kolbeck

“CLASS OF 1987”

Four years together

and now we are here
in our graduation gowns

and in fear

Today we will part
but not in our heart

Wishing we could

do it all over again

and have a new start

The memories we have
will always be there

to remember and look back too

the memories we shared

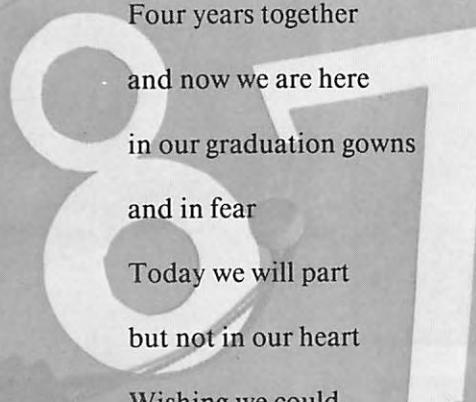

Four years together

Four years straight

Class of '87'

Always look ahead

It's never too late

F A C U L T Y

To the Class of 1987

To have graduated from Old Colony is indeed an achievement, and one of which you may justly proud. To reach this station in life is proof of one's personal persistence and strength. I'm sure your many experiences in Old Colony have already taught you that anything worthwhile in life is accomplished only through great personal endeavor. As you take your place in adult society you will find there is still no substitute for hard work.

Today, more than ever before, we need young adults who are willing to give their best at all times. For you to offer less than a full measure of effort would not do justice to you, your family and your school . . . we have come to expect excellence from you these past four years.

May your future be bright and may you always have a warm feeling for Old Colony; the contributions you've made have set a high standard for other classes to follow. We earnestly wish for all of you, the best of everything in the years to come and, above all, it is our fervent hope that you will continue to demonstrate the willingness to achieve those goals which are still ahead as you take your place in adult life. We're proud of the Class of 1987.

CLASS SONG

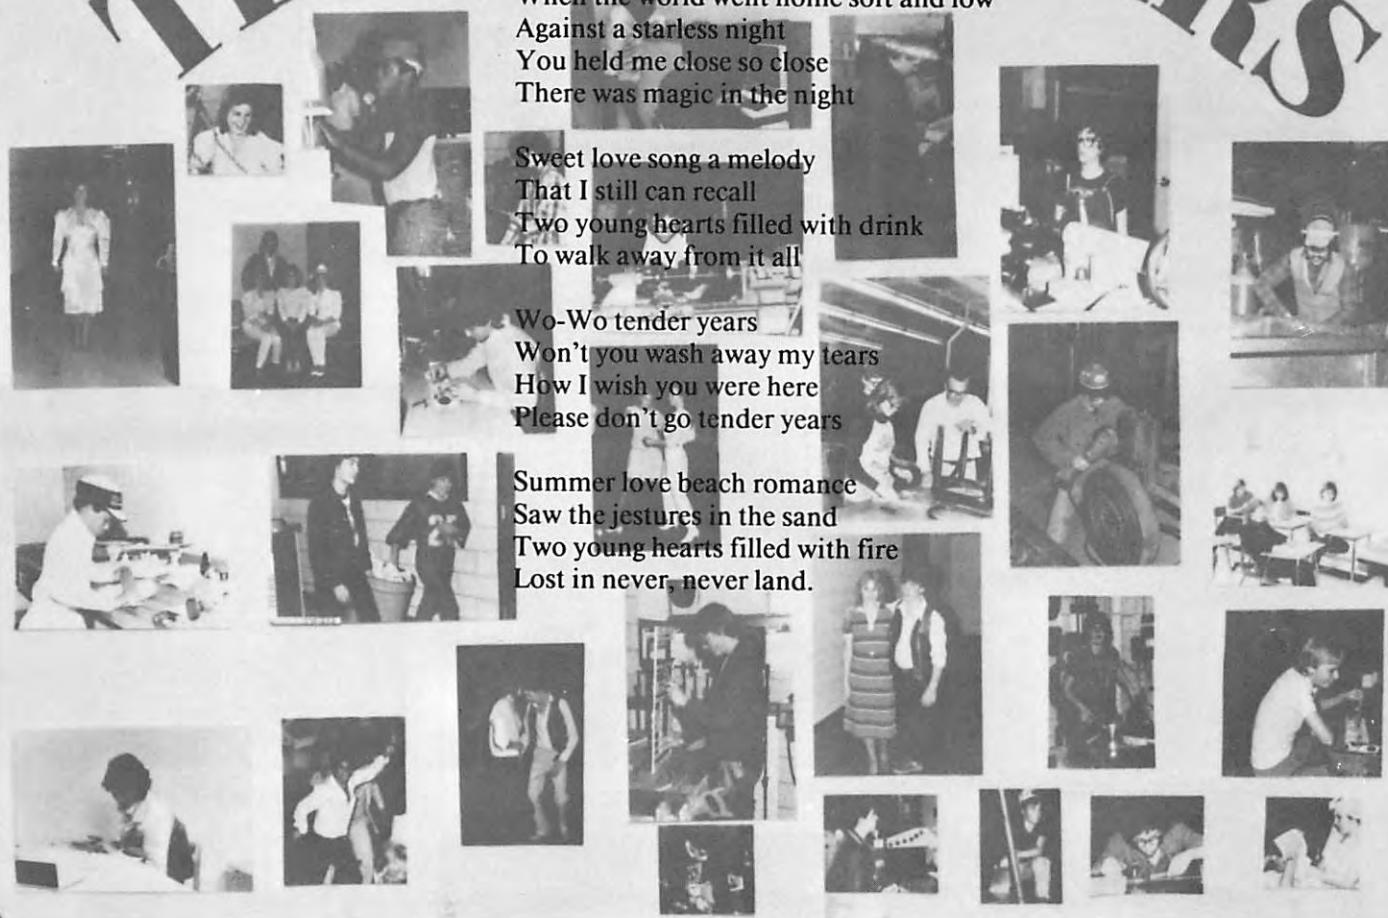

TENDER YEARS

When the world went home soft and low
Against a starless night
You held me close so close
There was magic in the night

Sweet love song a melody
That I still can recall
Two young hearts filled with drink
To walk away from it all

Wo-Wo tender years
Won't you wash away my tears
How I wish you were here
Please don't go tender years

Summer love beach romance
Saw the gestures in the sand
Two young hearts filled with fire
Lost in never, never land.

“YOU’VE COME A LONG WAY BABY . . .”

The Varsity Football Team had its finest season ever this past 1986-1987 season. This sophomore dominated team finished its season with a 3 win 7 loss record which equals the schools finest record. Coach Harrison started 8 sophomores both on offense and defense so he expects big things to come these next two seasons.

Mike Moniz will be missed for his leadership along with All-League tackle Mike Harriman. Other seniors who contributed to our season were Brian Simmons, Ricky Roy, John L'Abbe, and Shannon Hawks.

After graduating 12 players from the 1985-86 team which had a record of 11-1-4, the 1986-87 season looked pretty bleak. With the help of Quad-Captains Ron Drollett, Chuck Napier, Trevor Correia and Bruce Miranda the Cougars managed 5 victories. The most exciting being a 4-3 victory over Diman Voke of Fall River. Ronnie Drollett was selected by Coach Cabral for the U.S. Army MVP Award.

The Old Colony Cougars Girls' Basketball Team enjoyed a very successful season finishing with 14 wins and 6 losses. The Cougars qualified for State Tournament play for the second consecutive year. The Lady Cougars returned only one starter, senior captain Pam Diaz-Rubin. Pam led the Cougars in scoring with 320 points and was selected to the Mayflower League All-Star Team and also to the Standard-Times All-Scholastic Team. Sophomores Vickie Camacho and Laurie Nunes had outstanding seasons and were recognized by their selection to the League All-Star Team. Good Luck and Best Wishes to our seniors, Terri, Tara and Pam.

The 1987 baseball team didn't have the best season this year, despite the efforts of the squad. Ending the season with an 8-10 record, the Cougars tried their hardest but couldn't seem to win the close games like in past seasons. Elected to the League All-Star Team was Mike Poulin. Best wishes to Captain Steve Weston, who is the only senior leaving the squad this year.

Selected to the League All-Stars were Pam Diaz-Rubin, Laurie Nunes, Vicki Camacho, and Diane Hudon. Laurie Nunes was also selected to Boston Globe All Scholastic Team. Best wishes to the seniors leaving the squad this year, Pam Diaz-Rubin, Shelly Story, and Beth Peritzian.
