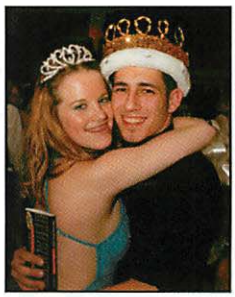
Class Song



A Moment Like This

by: Kelly Clarkson

What if I told you
It was all meant to be
Would you believe me,
Would you agree
It's almost the feelin'
that we've met before
So tell me that you don't think I'm crazy
When I tell you love has come and now...

A moment like this
Some people wait a lifetime,
For a moment like this
Some people search forever,
For that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime
For a moment like this

Everything changes
But beaty remains
Something so tender
I can't explain
Well I maybe dreamin'
But 'til I wake
Can we make this dream last forever
And I'll cherish all the love we share

Could this be the greatest love of all
I wanna know that you will catch me when I fall
So let me tell you this...
Some people wait a lifetime
For a moment like this
