

Dedication

We dedicate the 2013 yearbook to Rita J. Fernandes Bretto

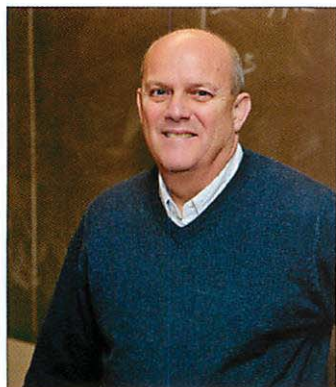

Mrs. Rita J. Bretto graduated from New Bedford Vocational in 1964, Rita entered the workforce and shortly after, attended night school for cosmetology. In 1967, she graduated Cosmetology School and became co-owner and shop supervisor and later owner and operator of her own salon. Nine years later, Rita began student-teaching in a private, local Cosmetology School and soon after began her career as a Vocational Instructor of Cosmetology at Old Colony Regional Vocational Technical High School.

Mrs. Bretto served the students of Old Colony for thirty-six years. With her retirement in January 2013, her dedicated professional spirit will be missed throughout the entire school

community. Mrs. Bretto began her Old Colony career as a Cosmetology instructor in 1977. In 1997, she became the Vocational Coordinator and finished her illustrious career in that administrative position. Rita was a dedicated educator and a very compassionate person. We wish her many years of good health and happiness in her retirement and we remain so thankful for her dedicated service to the Old Colony community.

Rita resides in Rochester with her husband, Thomas of 46 years. She has two daughters, Kimberly and Kendall, a son-in-law Kurt, along with a granddaughter, Kiera and 3 grandsons, Elijah, Wyatt and Max.

Retirees

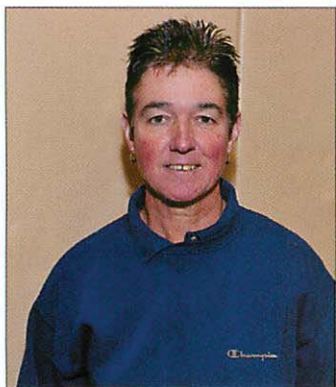

Paul Brodeur

Mr. Paul Brodeur began teaching English in the mid 1970s, but Old Colony was not yet in his plans. After a novice year in St. Croix followed by two decades at Diman RVTHS, it was in September of 1999 when he joined our Old Colony family. But instead of taking months, or even years to fit in, Mr. Brodeur's teaching expertise, buoyant personality, and warm friendliness found a home right from the start.

As a teacher of writing and literature, Mr. Brodeur has worked with thousands of young adults whose communication skills have blossomed thanks to him. The student of English who has been taught by Mr. Brodeur, whether within his classroom, or as a participant in our before-and after-school tutoring programs, has benefited directly from his open approach, courtesy, respect, and professionalism. He has even helped coach our cross-country students from time to time.

And yet, any description of Mr. Paul Brodeur would be woefully incomplete if it did not include his signature characteristic: his humor! Staff and committee meetings, teaching moments, conference luncheons, field trips, everyday lunch gatherings, and even daily conversations have been anything but mundane as long as Mr. Brodeur has had the chance to surprise those around him with his clever one-liners, goofy jokes, and punch-lined narratives.

We hope that you, Mr. Brodeur, will find well deserved joy, rest, and recreation through the months and years ahead! And although we are saddened that you will no longer be present in our school each day, we are comforted that our Old Colony campus will echo with the countless laughs and teachable moments that you have given us all.

Nancy Souza

Ms. Souza has been a dedicated educator and coach at Old Colony for the past 30 years. During this time she has served the Old Colony District and our country with a hard-working attitude, and a dedication to the students of Old Colony and the protection of the citizens of our fine nation. In 1990 and 1991, Ms. Souza served in the Army National Guard and was deployed to serve in the Persian

Gulf. That same determination that she exhibited in serving our country, has also existed in the physical education program at Old Colony.

Ms. Souza, thank you for all that you have done for the many students you have educated here at Old Colony. Your devotion and compassion will always be remembered.

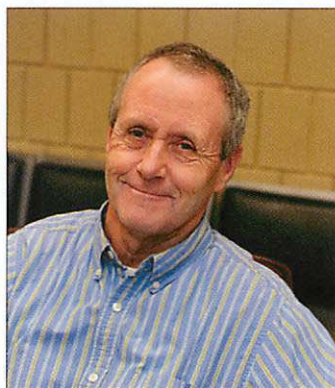

Kathy Moreira

Mrs. Moreira began her teaching assignment at Old Colony Regional Vocational Technical High School in November of 1986. She arrived to our school with a wealth of experience having previously taught Special Education in Wareham, Lakeville, and New Bedford. For the past 27 years, Mrs. Moreira has selflessly provided support and

guidance to Old Colony students, continuously instilling a love for learning with high standards and personal integrity.

For over twenty years, Mrs. Moreira provided special education services within the Culinary Arts Department. "Mama Moreira" was instrumental in training many students for preparation for the world of work after high school graduation. In more recent years, Mrs. Moreira returned to the academic classroom, providing instructional services and support to many students across the curriculum.

We wish Mrs. Moreira health, happiness, and, finally, some time for herself. We will miss her immensely.

Robert Sherman

Mr. Sherman arrived at Old Colony in 1994. For 20 years he has been the "face" of guidance, overseeing recruitment for all incoming freshmen, assigning them to their academic and shop placement, as well as gently nurturing their overall transition into Old Colony. During his time at OC, Bob has fostered a successful working relationship with our member district schools. He has

also been a valued member of the Student Support Team and was instrumental in developing the OC Admission Policy.

In his spare time, Bob can be found either playing or working at the Rochester Golf Club. Bob is looking forward to spending time with his family.

Thank you!
