Dear applicant,

I am delighted for our association to afford the opportunity to help students fulfill a financial need in obtaining a higher level of education. You are entering the next chapter in your life and we would like to give you some assistance in your educational goals. Although you are only applying for a chance to obtain a \$1,000.00 scholarship, please take your time and review the requirements of the application.

Once you submit your application, a committee from the Mattapoissett Police Officer's Association will review each application submitted. The committee will then select the top application(s) to be awarded a scholarship.

If you are the selected recipient(s) of the 2023 scholarship, it is expected that you respond to our notification. In the summer, you might be photographed for our publications as a recipient. You will be issued our scholarship award at that time.

Only 2023 high school graduates will be considered for this scholarship opportunity. Any questions or concerns please e-mail the association at sparker@mattapoissettpolice.com.

Sincerely,

Sean Parker
