#### **Use of Information Statement**

The Richard B. Russell National School Lunch Act requires that we use information from this application to see who qualifies for free or reduced price meals. We can only approve complete forms. We may share your eligibility information with education, health, and nutrition programs to help them deliver program benefits to your household. Inspectors and law enforcement may also use your information to make sure that program rules are met.

Please be sure to provide the last four numbers of the Social Security number of the adult household member who signs the application. If the adult does not have one, 'Check if no Social Security Number.' Applications for a foster child do not need to list a Social Security number. Applications for children in households receiving Supplemental Nutrition Assistance Program (SNAP) or Temporary Assistance for Needy Families (TANF) or Food Distribution Program on Indian Reservations (FDPIR) do not need to list a Social Security number. Some children qualify for free meals without an application. Please contact your school to get free meals for a foster child, and children who are homeless, migrant, or runaway.

# Sharing Information with Medicaid/CHIP

#### Dear Parent/Guardian:

If your children are qualified for free or reduced price school meals, they <u>may</u> also be able to get free or low-cost health insurance through Medicaid or the State Children's Health Insurance Program (CHIP). Children with health insurance are more likely to get regular health care and are less likely to miss school because of sickness.

Because health insurance is so important to children's well-being, the law allows us to tell Medicaid and CHIP that your children are eligible for free or reduced price meals, unless you tell us not to. Medicaid and CHIP only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Free and Reduced Price School Meals Application does not automatically enroll your children in health insurance.
