Academic Director

Kelly Taveira
Special Services Director

February 2, 2026

Every year, each public school and school district in Massachusetts receives a report card. Just as your child's report card shows how they are doing in different subjects, the school's report card is designed to show families how our school is doing in different areas. A link to our school's report card is available here: [2025 Old Colony School Report Card](#).

The report card includes multiple measures of a school's performance – more than just MCAS scores. It represents a new way of looking at school performance, by providing information on student achievement, teacher qualifications, student learning opportunities, and more.

Report cards are designed to be useful tools for everyone connected to our school. Families can use the information to have meaningful conversations with us about what the school is doing well and where there is room for improvement. Community and education leaders can use the information to better understand how to support students and our school.

You will notice on our report card that attendance is consistently over 95%; An astounding 96.7% of freshmen passed all of their coursework; 94.3% of our 11th and 12th grade students are completing advanced coursework; graduation rates over a three-year period average 99%. To improve student performance in our school, we will continue to address the 4.6% gap in student attendance rate. Attendance is always of great importance, as we believe our students cannot learn if they are not present. We would also like to focus on a long-term vision to provide greater access to the arts and expansion of our Chapter 74 programming. We encourage you to become involved in helping us improve our school. We see parents as critical partners in the success of our students and school, and we are grateful for your continued support.

Finally, if your child attends a school that receives federal Title I funds, you also have the right to request the following information about the qualifications of your child's classroom teachers:

- Whether your child's teacher is licensed in the grade levels and subject areas they teach,
- Whether your child's teacher is teaching under an emergency license or waiver,
- The college degree and major of your child's teacher, and
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you have questions about our school's report card, would like to become involved in school improvement activities, or would like to request information about the qualifications of your child's classroom teacher, please contact our Principal, Gary Linehan, at glinehan@oldcolony.info. To see our district's report card or to search for other schools' report cards, visit <https://reportcards.doe.mass.edu>.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Gary Linehan', written in a cursive style.
