Health	1 subject notebook, 2 pocket folder, pencil/pen, highlighter	X	X		
Physical Education	Sneakers, teeshirt/sweatshirt, shorts/sweatpants (according to dress code)	X	X	X	X
Technology-Internet Access outside of the school day	Old Colony has a Google Apps for Education domain. Students will be given an account in this domain which gives them access to Google Apps including Docs, Sites and Gmail. Many teachers have detailed class websites and post homework assignments and materials online. Students should have a plan to access the Internet after school hours, either at home, a family member's home or at a local library.				
	Families who participate in the National School Lunch Program may be eligible to take part in the Internet Essentials Program offered by Comcast. See <a href="http://www.internetessentials.com">www.internetessentials.com</a> or contact Old Colony for more information.
