Dear Parent/Guardian:

To publicize the achievements of our students and the great work they do, we like to occasionally publish our students' names and achievements in our school publications or release the information to local newspapers. We may also post information including pictures and videos to the Old Colony Web site or promotional materials.

Students or parent(s)/guardian(s) of students wishing that their pictures not appear in such publications must notify the Superintendent, in writing, of their objection. If the school receives no such notice October 1st, it will assume that the student or parent(s)/guardian(s) of students has granted permission to the school to use his or her likeness in a manner consistent with this section.

In addition, federal legislation requires by military recruiters, that each school district release to such recruiters the names, addresses, and phone numbers of current students, unless the student or parent(s)/guardian(s) have submitted a request indicating such information is not to be released, he/she or the parent(s)/guardian(s) must notify the Superintendent, in writing, of that desire by October 1st.

Sincerely,

Frank K. Coté

Student Name: _____ Year of Graduation: _____

Dear Parents/Guardians:

The Old Colony Regional Vocational Technical High School District is committed to providing a safe, positive, and productive educational environment where students can achieve the highest academic and vocational technical standards. The Student Handbook explains the rules and regulations necessary to assure the safety and well being of each student attending Old Colony.

Included in the handbook is the Bullying Prevention and Intervention Plan. The District recognizes that bullying and cyber-bullying have a negative effect on school climate. Students who are intimidated and fearful cannot give their education the single-minded attention they need for success.

I have read the Old Colony Regional Vocational Technical High School Student Handbook with my son/daughter and we understand the rules, the regulations, and the bullying/cyber-bullying required procedures and agree to full compliance.
