Dear Parent/Guardian:

The Old Colony Regional, Vocational, Technical High School will be doing a mandated Postural Screening for 9th graders on the first week of April during gym class. The purpose of this screening is to identify signs of possible spine related issues. Complete privacy will be provided. It is not a diagnostic service but a program to find young people who may need further evaluation.

If your child has unusual findings, you will be notified and asked to take your son/daughter to a physician as a precaution.

If you do not wish to have your son/daughter participate, please sign below and return this letter to the nurse before April 1, 2013.
