

What is your son/daughter's plan for life after high school? Thinking about college? What's your plan to pay for it?

While college costs are rising exponentially, Massachusetts is providing parents an easy to use, free solution to college planning: YourPlanForTheFuture.org. Explore college financing options, calculate your Estimated Family Contribution (EFC) and understand how they all impact your total spend. YourPlanForTheFuture it down and makes it simple.

Planning for college is easy.

With YourPlanForTheFuture you'll also be able to:

- **TRACK** your child's **PROGRESS** as he or she explores Interests, sets a career plan, and builds a resume
- **VIEW** your student's college list
- **SUGGEST** colleges to your son or daughter
- **COMMUNICATE** with your student's counselors and advisors
- **ACCESS** historical college acceptance records from your child's school
- **RESEARCH** financial aid information, applications, and critical dates
- **SEARCH** and **APPLY** for local and national scholarships
- Stay up-to-date on local college planning events
