## Pesticide Standard Written Notification For Schools, Day Care Programs, and School Age Childcare Programs

The school, day care programs, and/or school-age childcare program is responsible for sending this standard written notification form to employees, pupils, parents etc. to insure that they receive this information at least 2 working days prior to any pesticide use.

It is recommended that the Pest Management Professional use this read-to-copy standard written notification form for the purpose of providing pesticide use information to the school, day care center, and/or school-age childcare program. The Pest Management Professional should save this form for copying.

School: Old Colony Regional Vocational Technical high School

Pest Management Company: OCRVTHS Maintenance 476 North Ave, Rochester, MA

Pest Management Professional: Cam Bacchiocchi License Number: #38344

A: List the Approximate Dates on which the pesticide use shall commence and conclude

Beginning Date: 5/4/15 Ending Date: 5/8/15

B. Record the specific location of the anticipated pesticide use

-Lawn areas around school and Lawn areas near North Ave.
- Varsity Softball & JV Softball field
- Varsity Baseball Field

Pesticide Information (Pest Management Professional should be specific as is possible when listing products to be used)

Pesticide Product Name	Pesticide Type	EPA Registration #	Description/Purpose of treatment and/or application
Lebanon Proscope	LOW-LP + Diminished Weed Control	961-420	Fertilizer / weed control
