

May 2, 2016

Dear Parent/Guardian:

The Old Colony Regional, Vocational, Technical High School will be doing a mandated BMI Screening for 10th graders on the third week of May. The purpose of this screening is to identify signs of possible weight related issues. A simple height and weight will be taken and recorded. Complete privacy will be provided. It is not a diagnostic service but a program to find young people who may need further evaluation.

If you want to know your child's findings, you can call this office after the screenings are finished.

If you do not wish to have your son/daughter participate, please sign below and return this letter to the nurse before May 9th, 2016.

STUDENT: _____ GRADE 10 SHOP _____
