NEVER SURRENDER

NEVER SURRENDER

Out in the streets inspiration comes hard
The joker of the deck keeps handin' me his card
Smilin' friendly he takes me in
Then breaks my back in a game I can't win.
Jivin', hustlin', What's it all about?
Everybody always wants the easy way out.
Thirty golden pieces for the judas kiss
What's a nice boy doin' in a place like this?

Never Surrender — Keep your dreams alive
Never Surrender — Hold your head up high

Modern apathetics; you got plenty of nothing to say
Some are born to follow: some will make their own way.
Today you found a hero tomorrow you'll forget
You're lookin' for convenient truth you haven't found it yet
You don't make commitments no time for regrets
Easy come and easy go and easy to forget
You never take responsibility
Don't you know that part of you is a part of me?

Never Surrender, it's easier said than done
But you got to finish what's already begun
Never, that's forever, seems like such a long time
But I only got one life to live — it's gonna be mine

Never Surrender — We cannot be denied
Never Surrender — Spread your wings and fly

To get ahead an individual must learn to be a leader. VICA helps prepare today's students as America's new professionals. VICA members learn and develop their personal skills and their job skills. VICA is showing everyone just how important vocational education is to America. Thousands of students are part of that exciting example and they possess the energy that our nation is counting on for the future.

This year we are very proud to have such dedicated students who competed at the state level of competition on April 10-11, 1984. From our Culinary Arts Department finishing second was Mathew Harding and finishing third was Edward Szyndler. From our Baking Department finishing second was Norman Sylvester and finishing third was Kerry Coppello.
