DEDICATION

MR. WILLIAM HEBERT

The Class of 1989 would like to dedicate our yearbook to a very special individual, Mr. William Hebert. Mr. Hebert has been our Teacher, Coach, Athletic Director and most of all our caring friend. He has been with us during grueling basketball games, mind boggling Math tests as well as joyous championship seasons and comical interludes. He has been a positive force in our lives over the past four years and for this we thank him.

Mr. Hebert, we will never forget you!

IN MEMORIAM

DANA TRIPP

A fresh new start of high school years,
the beginning of our wonder years.
We felt our lives had just begun,
the days went by one by one.
Each day we lived brought a lesson to learn,
our eagerness towards life made our desire burn.

Your smile showed the world no fear,
the time you spent was all so dear.
You'd lift us up when we had a fall,
for friendship is the greatest gift of all.

The fun and freedom of summer break,
was at our feet and ours to take.
And yet something happened to stop it all,
for you were the one to take that fall.

But we couldn't help you and lift you high,
for you had flown up into the sky.
Much too soon for our tears to fall,
but you touched our hearts one and all.

We continued on as you did too,
you created a path for us to walk through.
Now the doors are opened wide,
it's comforting to know you're still by our side.

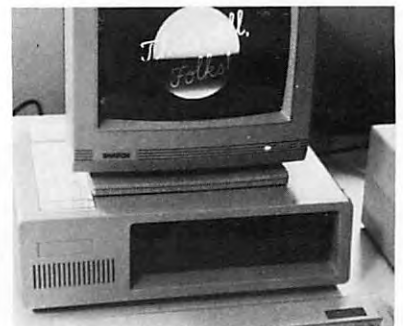

When we look to the sky and see the sun shine through,
we know it's a signal to us from you.
But even though we're far apart,
you'll always remain in our hearts.
And someday when we meet again,
the second time will never end.

Faculty

To the Class of 1989

Four years ago your teachers assumed the responsibility of preparing you to live in the society which you will help build. You were confronted with the challenge of what must be done to channel energies into meaningful experiences and relevant learning. This Class succeeded thanks to its commitment and involvement in many phases of Old Colony's programs. We know you've been provided the best vocational/technical and academic preparation so that you can take a useful place in today's world of work.

You'll leave Old Colony ready to be tested by life's uncertainties; we're confident you'll come through with flying colors. Congratulations and best wishes from everyone associated with your school.

“LOOKS LIKE WE MADE IT”

Barry Manilow

There you are, looking just the same as you did last time I touched
you.

And here I am, close to getting tangled up inside the thought of you.

Do you love him as much as I love her!

Will that love be strong when old feelings start to stir?

Looks like we made it,

Left each other all the way to another love.

Looks like we made it,

or I felt so until today, until you were there, everywhere,

And all I could taste was love the way we made it

Love's so strange, playin' hide-and-seek with hearts and always
hurtin'.

And we're the fools standing close enough to touch
those burning memories.

And if I hold you for the sake of all those times love
made us lose our minds, could I ever let you go?

Looks like we made it

Left each other all the way to another love

Looks like we made it

Or I felt so 'til today until you were there,
everywhere, and all I could taste was love,
the way we made it.

We made it.

Looks like we made it,

Left each other all the way to another love.

Looks like we made it, or I felt so 'til today,
until you were there, everywhere

and all I could taste was love the way we made it

Looks like we made it.

Oh babe we made it.

The 1988 Varsity Football Team made school history this past season by repeating as Mayflower Small League Champions. The team's fine record of 8 wins and 2 losses is the best performance by any Old Colony Football Team since its existence.

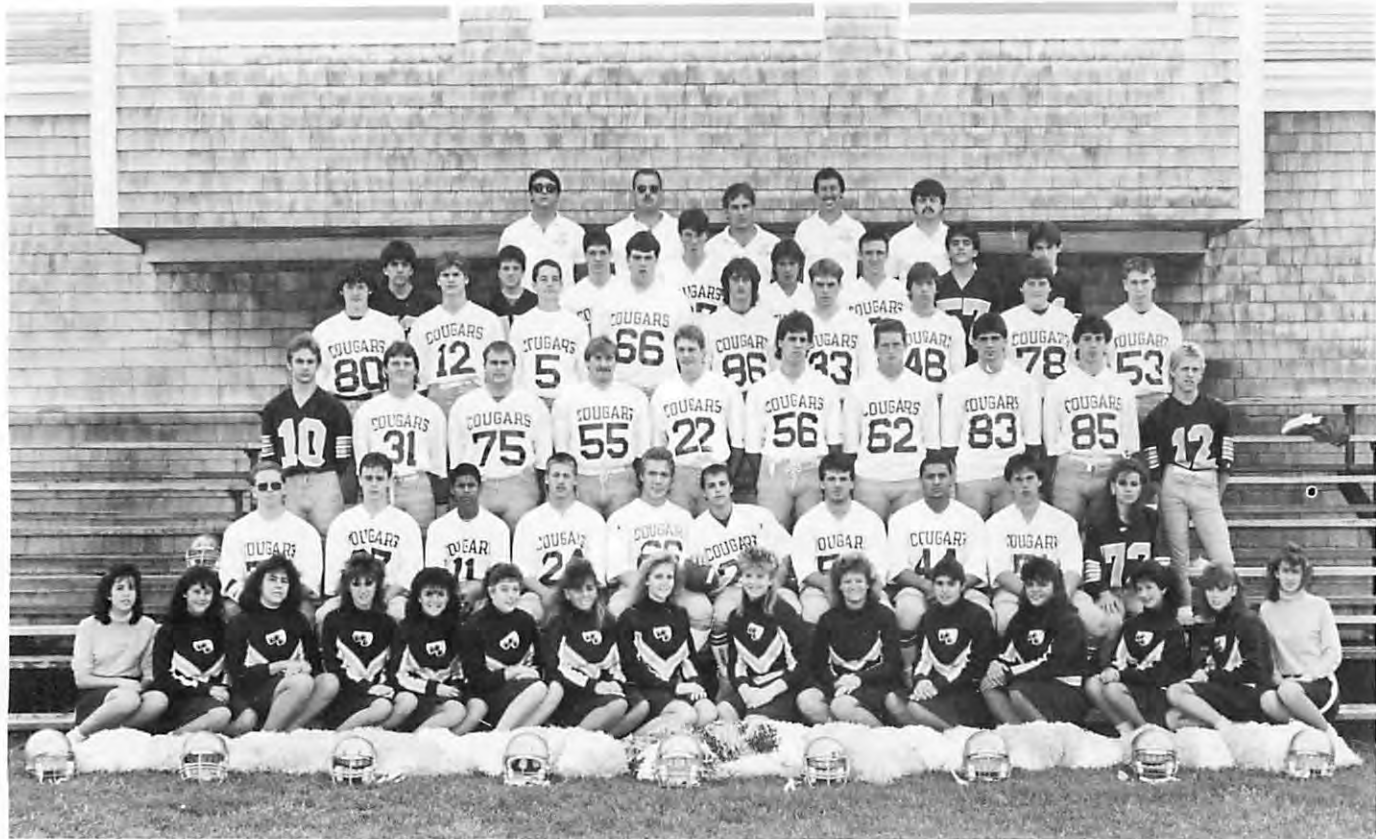

The key to the Cougars' success was the strong leadership and commitment of the entire senior class.

Derek Dumond, Steve Proffit, John Fonseca, Charlie West, and Lee Hamilton were selected as Mayflower League All-Stars, while Chad Vincent, Kevin Pearlstein, Brett Barros, and Scott Bindas were All-League Honorable Mentions. Sophomore quarterback Dave Tripanier also received All-League Honorable Mention status.

Mr. Harrison sighted the following reasons for calling this team the best he has ever coached in his 10 years of coaching high school football.

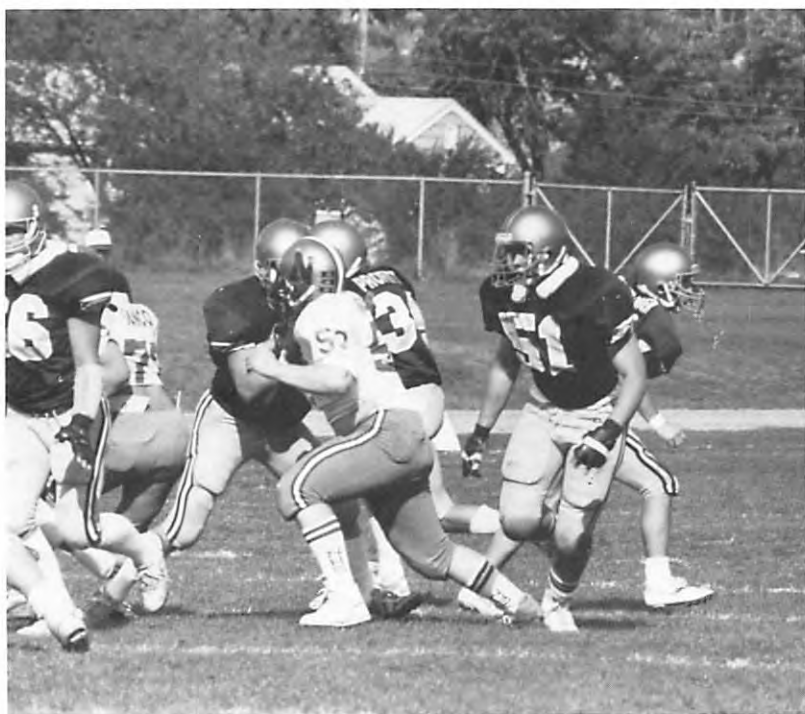

O.C. Pride, Unity, Self-motivated (team oriented players), Unselfish, Dedicated to the cause, Caring of one another, A never give up attitude, and thanks to the entire senior class (girls and boys) a popular school phrase has developed and will last forever.

VICA

Vocational Industrial Clubs of America, is where students compete in a designated area against many vocational schools throughout the United States. Recently, four of our members received the District gold medals. They were Chris Souza in Automotive Machine, Michael Christen in Carpentry, Chris Tripp in Residential Wiring, and Deann Callahan in Word Processing. Our two silver medal winners were Stephanie Beaulieu in Cosmetology, and Kim Ashley in Typing. Our two bronze medal winners were Bobby Brown in Automotive Service Technology, and Chrissy Roy in Word Processing.

These students continued on to compete in the state competition, held in Boston. The competition results were successful, bringing home two gold medals and a silver. Our gold medalists included Caprice Ditullio in Job Interview, and Michael Christen in Carpentry. Our silver medalist was Paul Holmstrom in Prepared Speech. Our gold medalists from the state competition moved on to the National Competition held in Oklahoma. Many thanks to Mr. Ashley, Mrs. Cabral, Mr. Tisdelle and all the other VICA advisors who helped us achieve our goals.
