Mr. David J. Ferreira
Superintendent - Director

To The Class of 2001

It is my privilege on behalf of the Old Colony family to extend our sincere congratulations to the graduating Class of 2001. Graduation is an achievement for which you should be justly proud.

You entered Old Colony four years ago in pursuit of a vocational-technical education and leave a graduation with the tools for success. Your hard work and diligent effort has prepared you well for the challenges ahead. Take pride in your accomplishment.

In reflecting on your high school years, we trust you harbor fond memories of Old Colony. We enjoyed the opportunity to help you develop the technical competencies and academic skills necessary for your future success.

As a class you added to the proud history of our school. You set new standards in our vocational areas and on the athletic field. You helped us to maintain the tradition of Cougar Pride.

On behalf of the Old Colony family, thank you for being a very important part of this school and for all that you have given us.

Time of Your Life

By: Green Day

***Another turning point
A fork stuck in the road
Time grabs you by the wrist
directs you where to go***

***so make the best of this test
and don't ask why
it's not a question
but a lesson learned in tim.***

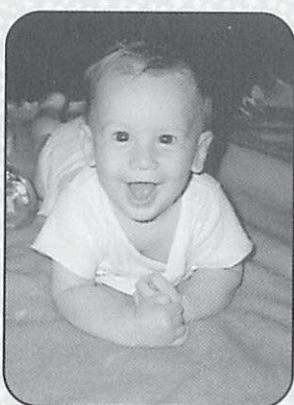

***It's something unpredictable
but in the end is right
I hope you had
the time of your life***

***So take the photographs
and still frames in your mind
Hang it on a shelf
of good health and good time
tattoos of memories
and dead skin on trial
For what it's worth
it was worth all the while
I hope you had the time of your life***
