Yearbook Dedication

Mr. William 'Bill' Hebert

*Serving Old Colony
from 1977 - 2005*

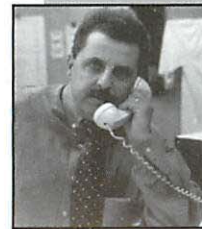

Mr. William Hebert served the students of Old Colony for twenty-eight years. With his retirement this June, his dedicated professional spirit will be missed throughout the entire school community.

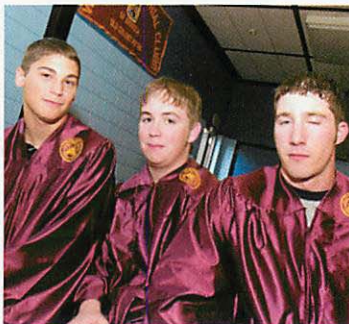

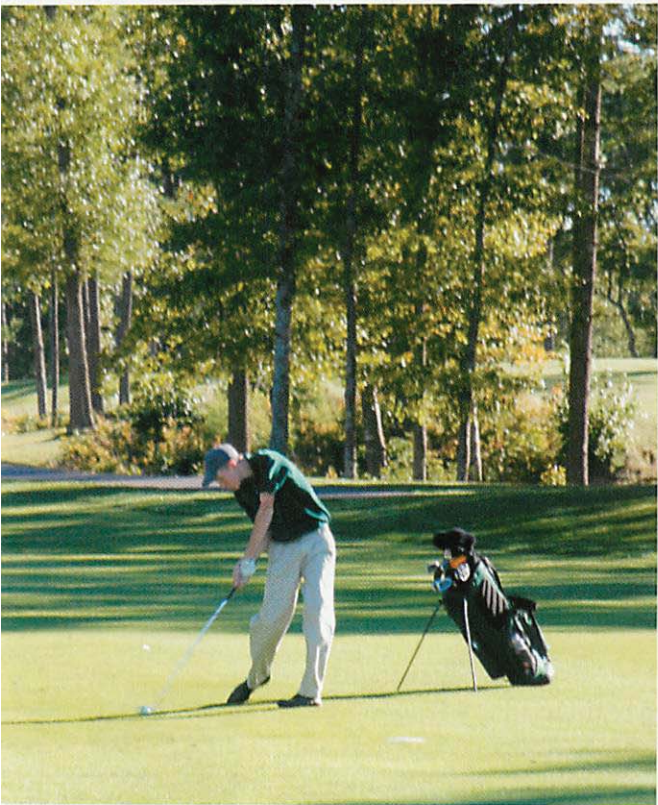

A brilliant math teacher, Mr. Hebert was able to meet the needs of his students and was always available to assist them. He possessed a unique ability to motivate.

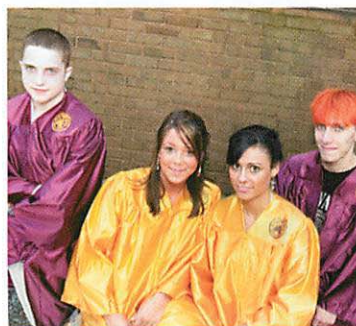

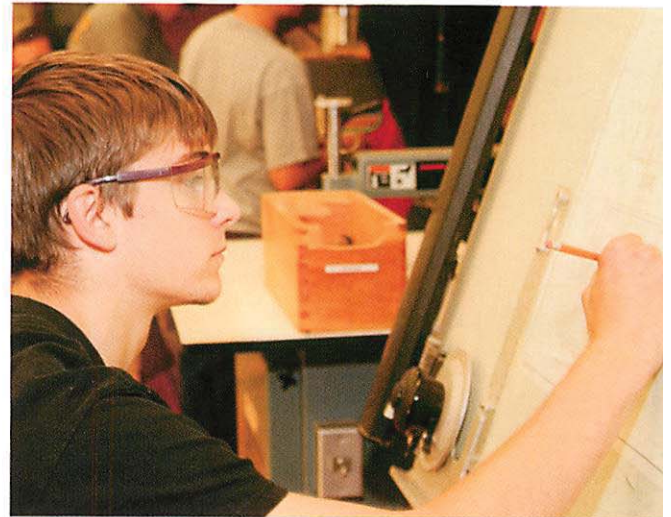

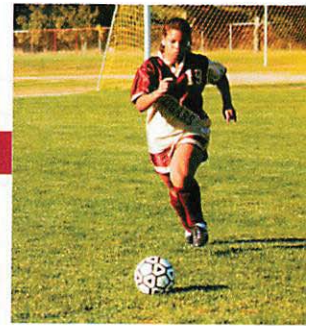

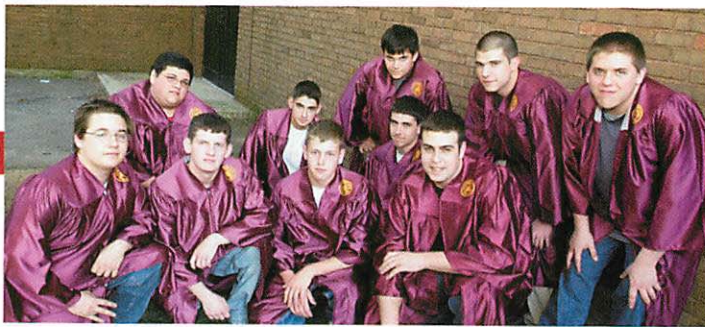

Old Colony's Athletic Program flourished under Mr. Hebert's direction for over twenty-five years. As Athletic Director, he developed a philosophy where sportsmanship and participation were paramount. The school was awarded innumerable awards for sportsmanship through his leadership.

For twenty-eight years, Mr. Hebert served as varsity girls basketball coach, leading the team to many league championships. More importantly, he developed character and values in his players, attributes which last for a lifetime.

We wish Mr. Hebert many years of good health and happiness in his retirement and we are so very thankful that he served his professional career at Old Colony.
