Retirees

Retirees

Albino "Buddy" Perry

Coach Buddy Perry is considered the Dean of Coaches in the south coast area, serving as the only head boys basketball coach Old Colony has ever known. For the past 35 years Coach Perry has patrolled the Old Colony sidelines with commitment, passion and pride. He has lead his teams to two M.I.A.A. sectional final

games, won Mayflower Athletic Conference titles and has competed in Mass Vocational tournaments.

Coach Perry will be remembered as a fierce competitor, who never gave up. His teams played the same way. Buddy Perry's commitment to sportsmanship and pride has shaped the boys basketball program over the years. In Coach Perry's final game at Old Colony he was honored by his team, friends and family to celebrate his outstanding career.

Thank you Coach Perry for your many years of service!

Deborah Herrmann

Mrs. Herrmann began her teaching assignment at Old Colony Regional Vocational Technical High School in February of 1986. She arrived to our school with a wealth of experience having previously taught English, Speech, Drama, Debate, and Sociology in New Hampshire, Colorado, and Nebraska. For the past 27 years,

Mrs. Herrmann has joyfully inspired and guided our students, always instilling a love for learning with high standards and personal integrity.

Mrs. Herrmann's school and community involvement continued beyond the academic day. She spent countless hours coaching our students to state and national competition in the USA Skills-VICA public speaking leadership events. In addition, Mrs. Herrmann served numerous classes as their Graduation Address speaker and Senior Awards Night emcee.

We wish Mrs. Herrmann happiness, health, and prosperity in her retirement. We will miss her deeply.

Jay Silverstein

Mr. Silverstein became the District Technology Specialist in 2000. For 12 years he oversaw the implementation of an ever expanding computer network. A gentle giant, Mr. Silverstein, always greeted students and staff with his signature.

Good Morning!

He worked with and mentored students as they ran cabling for the network, worked on support issues and assisted with a variety of projects around the school. Whether fixing computers, collecting tickets at the football games or running the AV for Mr. Cougar, Mr. Silverstein was always a familiar and friendly face for students.

Ralph MacLeod

Mr. Ralph MacLeod has been the face of the Electronics Department for 30 years. Since coming to Old Colony in September 1982, he spent all of his teaching years at the school. He's been a licensed Master Technician since 1971 and is currently the Mass. State Representative for the Electronic Technician Association, International.

In his spare time, Mr. MacLeod is an inventor and runs his own business. He started his business, Holdfast Lures, in 2000 producing electronic fishing lures. Currently two of the lures are sold at local stores and online.

Mr. MacLeod is a member of the Massachusetts Vocational Association and is a Skills USA Advisor for his shop. He has prepared many students over the years to compete at the district and state level. Many who know Mr. MacLeod will remember him for his willingness to stand up for what is right and not be afraid to speak out. He was elected three times to serve as the Steward for the Teamsters Union, Local No. 59. A job he enjoyed immensely. We wish Mr. MacLeod success, happiness and good health in retirement.
