

ITALY & GERMANY
APRIL VACATION 2018

Ms. Guy will be leading a group of people through Italy and Germany for 9 days during April vacation of 2018. Join us as we experience a wide range of history, artistic achievement, and dramatic natural scenery. In city after city, see how buildings become works of art and historical masterpieces, from the Roman Colosseum in Rome to the Sistine Chapel to the Florence Duomo, from Neuschwanstein Castle to the Residenz in Munich. Outside the cities, Austria's scenic Tyrol region proves that nature inspires as much awe as even the most impressive cities. Attend the meeting to find out more and sign up!
