

The John Ross Laronda Memorial Scholarship Old Colony Vocational Technical High School

John Ross Laronda graduated in 2006 with a concentration in automotive. He enjoyed working in the family-owned auto body and towing business as part of his curriculum and after graduation. He was also a graduate of the American Firefighter Academy and acquired the Firefighter II and EMT Certifications. In 2013, he moved to Virginia and proudly referred to himself as “topman” of the family owned business, Perkins Twin Tire in Altavista, Va.

John Ross served as the Captain of the Altavista Fire Company until his sudden death. He loved volunteering and helping people in his communities. He also showed a great dedication for local education. The years he spent in Altavista, he would bring the ladder truck to every home football game and sound the horn when the team scored. He was well respected in both communities he lived in for his service and leadership. The family of John Ross Laronda founded this scholarship to honor his memory and assist an eligible senior in pursuing his/her occupational goals.

The John Ross Laronda Memorial Scholarship
Old Colony Vocational Technical High School
