Re: Old Colony Regional Vocational Technical High School District
Addendum No. 5, Pupil Transportation Services, Bus Bid, OCBusBid2021

The bid submission deadline and opening is extended to Wednesday, August 12, 2020 at 12:00 p.m. Recommendation and vote for contract award is extended to Wednesday, August 19, 2020 at the District School Committee meeting at 6:00 p.m.

Due to a clerical error, a revised pricing sheet is attached. For ease of reference edited language has been highlighted.

In red font below the District provides responses to questions received from potential bidders, which questions are set forth in black font.

How many late buses are there and how many days a year do the late buses go out annually?

The District currently utilizes four (4) buses for late bus runs to our five (5) member towns. These buses operated from October through May and do not run on school vacation weeks; approximately 60-70 days per year.

Page 18 Other transportation Section 2. Indicates the rate per mile does not change. The responses to the bid specs state they would consider the same increases as HTS rates.

The bid pricing sheet allows you to put in whatever prices you see fit. Just want to confirm that the pricing pages are correct and we can submit whatever increases are needed.

To clarify, the rate per mile will not change from the rate per mile submitted on the bid pricing form. Rates will change annually as submitted on the bid pricing form.

Bid Pricing Form

This form **must** be completed and submitted with the bid.
