If I do not qualify for free or reduced meals and my income changes during the school year, can I reapply?

Yes, you may reapply anytime throughout the school year, with any changes in your family or income. Filling out an application may qualify you for other benefits, not just free meals.

Can I set up a second contact to receive meal account notifications?

Not at this time. IT is currently looking into a way to add the second contact to the school meal accounts. Once we have the ability we will automatically update all accounts that have a second contact set up in the School Brains System.
