

The Christa Baptiste-Patterson Scholarship

Amount of Award: \$500.00

Deadline: April 15, 2022

The Christa Baptiste-Patterson Scholarship Committee, Inc. is pleased to announce the year 2020 Scholarship Awareness Program in memory of Christa Baptiste-Patterson. In 1995, then three-year-old Christa was diagnosed with Juvenile Chronic Myelogenous Leukemia (JCML) and her only chance of survival was to have a bone marrow transplant. A committee was formed to raise funds to help defer the cost of Christa's potential bone marrow transplant and to promote bone marrow donors who are from ethnically diverse backgrounds. Sadly, a bone marrow donor was not found for Christa and as a result, she passed away on July 10, 1996. In loving memory of Christa, and the continued pledge to help others, the committee continues to promote bone marrow drives and is offering scholarships to students striving to continue their education.

I am already registered as a bone marrow donor I am willing to register to become a bone marrow donor

The first of the year was a very busy one for the office. We had a number of new clients and a large amount of work to do. The weather was very warm and sunny. We had a picnic in the park and had a very good time. The children were very happy and we had a very successful day. We had a very good lunch and the children were very happy. We had a very good day and we were all very happy.
