I. INTRODUCTION

An admission process is necessary in vocational technical schools where space is a limiting factor. Vocational technical laboratories (shops) are designed and equipped to serve a specific maximum number of students safely. Consequently, a complex of such laboratories lacks both the space and flexibility to accommodate the possible needs and/or interests of all applicants. Therefore, a selection process is necessary to determine which applicants may most benefit from such educational opportunities. All applicants to grades nine through eleven at Old Colony Regional Vocational Technical High School will be evaluated using the criteria contained in this Admission Policy. The District School Committee of Old Colony Regional Vocational Technical High School approved this policy on August 25, 2021.

II. EQUAL EDUCATION OPPORTUNITY

Old Colony Regional Vocational Technical High School admits students and makes available to them its advantages, privileges, and courses of study without regard to race, color, sex, gender identity, religion, national origin, housing status, sexual orientation, limited English proficiency, or disability as defined and required by state and federal laws.

If there is a student with limited English proficiency, a qualified representative from Old Colony Regional Vocational Technical High School will assist the applicant in completing the necessary forms and assist in interpreting during the entire application and admissions process.

Disabled students may voluntarily self-identify for the purpose of requesting reasonable accommodations during the entire application and admission process.

Information on limited English proficiency and disability submitted voluntarily by the applicant, for the purpose of receiving assistance and accommodations during the entire application and admission process, will not affect their admission to the school.

III. ELIGIBILITY REQUIREMENTS

Any eighth or ninth grade student who is a resident of Acushnet, Carver, Lakeville, Rochester or Mattapoisett who expects to be promoted to the grade they seek to enter by his/her local school district is eligible to apply for fall admission or admission during the school year provided that space is available. Resident students will be evaluated using the criteria contained in this admission policy. Priority for admission will be given to residents (students from Acushnet, Carver, Lakeville, Rochester or Mattapoisett) according to the District Agreement and meeting all of the application and criteria selection.

Non-resident students will be evaluated using the criteria contained in this Admission Policy and pursuant to M.G.L. c. 74 s. 7S and 8A. Resident students who meet the minimum requirements for admission shall be admitted prior to acceptance of any non-resident students seeking the same course of study. The Guidelines for Vocational Technical Education Program Nonresident Student Tuition Process Pursuant to M.G.L. c. 74 are located at <https://malegislature.gov/Laws/GeneralLaws/PartI/TitleXII/Chapter74>.

Transfer students from other vocational technical schools are eligible to apply for fall admission or admission during the school year to grades 9-11 at Old Colony Regional Vocational Technical High School provided they expect to be promoted to the grade they seek to enter by their current school. Transfer students will be evaluated using the criteria contained in this Admission Policy.

Home-Schooled Applicants may apply for admission to grade nine or ten at Old Colony Regional Vocational Technical High School, including admission during the school year, provided all admissions policy criteria are followed. The home schooled student's parent(s)/guardian(s) must submit a copy of the Home School Approval Letter from the sending school superintendent. Applications are reviewed, processed, and assigned points by grade level.

After a point total for each applicant has been determined, all applicants are placed in descending order based on their point total. Applicants are then accepted in order of the point total they have achieved. The applicant with the highest point total is accepted first, the applicant with the second highest point total is accepted second, and so on until all seats are filled. All applicants are accepted, declined, or placed on a waiting list.

If openings occur, the seats are filled by accepting applicants from the waiting list. These applicants are accepted in the order of their positions on the waiting list as determined by the total points given according to the selection criteria.

Students who are accepted and intend to enroll must notify Old Colony Regional Vocational Technical High School of their intention by the notification date identified in their acceptance offer. Students who do not respond by the notification deadline may be placed on the waiting list.

XI. VOCATIONAL TECHNICAL PROGRAM PLACEMENT

All ninth graders are exposed to an exploratory program that lasts eight weeks in duration. Each student rotates through all thirteen vocational programs. Five exploratory shops are selected by the student to gauge initial interest and potential changes for data collection purposes. The rotations are such that each student is in each vocational area for approximately three days and no less than two days.

After the conclusion of the eight week exploratory phase, each of the ninth grade students completes a Vocational Program Selection Sheet. At that time, each is asked to select the vocational programs of interest in rank order. The selections are made in order from 1st choice to 13th choice.

Program assignments are made based on the cumulative score that each student has earned during the exploratory phase in each of the thirteen areas of exploration. The Vocational grade average will account for 85 points of the cumulative score. The related grade average will account for 15 points of the cumulative score. Scores are calculated using the following criteria:

Students are evaluated by the instructors daily in related and in shop. Students may earn a total of up to 100 points per program. A grade is calculated for each exploratory program. After completing the exploratory programs, an overall exploratory average will be calculated.

Related (15 points maximum)

- Applied Academic Foundation
- Engagement
- Professionalism

Shop (85 points maximum)

- Employability
- Safety
- Professionalism
- Workmanship
- Productivity
- Engagement

The categorical criterion are listed below:

Advanced	5 points
Proficient	4 points
Approaching Proficiency	3 points
Needs Improvement	2 points

In addition to the grade averages, attendance and discipline are factored into the ranking score. Points are subtracted from the score for excessive unexcused absences, tardies/dismissals or

excessive disciplinary infractions based upon the rubric below. For the purpose of this rubric, a disciplinary incident is defined by an event resulting in a write up with a consequence of a warning or detention.

Attendance

0-3 days/tardies/dismissals	unexcused	0 points deducted
4-6 days/tardies/dismissals	unexcused	1 point deducted
7-9 days/tardies/dismissals	unexcused	2 points deducted
9+ days/tardies/dismissals	unexcused	5 points deducted

Discipline

0-3 incidents	0 points deducted
4-6 incidents	1 point deducted
7-9 incidents	2 points deducted
9+ incidents or suspension	5 points deducted

Once the ranking score has been determined, students are placed according to their choices. Once a program is filled, students are given their second choices, then third choices, etc. until all vocational programs are filled.

All incoming tenth grade and transfer students are placed in vocational areas based on available space. The availability of vocational spots is a factor in accepting/placing these students. Transfer requests are accepted from all students as space allows. Students are encouraged to place their names on waiting lists. After enrolling, any transfer student may request that his/her name be added to an existing waiting list for a given program. Current Old Colony transfers will take priority over late acceptance transfers as space permits.

XII. VOCATIONAL PLACEMENT AND APPEALS

The applicant's parent(s)/guardian(s), upon notification from Old Colony Regional Vocational Technical High School indicating that the applicant was not accepted in a particular program or placed on a waiting list for a particular vocational program, may request a review of the decision by sending a letter to the principal within ten working days of the notification. The principal will respond in writing to the letter with the findings of the review within ten working days. The principal's decision will be final.
